#7.00 CONT'D Hearing
Order to Show Cause Why Debtor Should Not be Held in Civil Contempt for Failure to Comply with Court Orders Compelling the Production of Documents and Turnover of Funds and Sanctioned for Such Failures

FR. 10-21-20, advanced from 12-16-20

Docket 126

***** VACATED *** REASON: Continued to January 13, 2021 at 11:30am per order entered on 11/16/2020, docket no.198.**

Tentative Ruling:

Ruling for October 21, 2020: Continued to 12/16/20 at 11:30 a.m. No later than 12/2/20, the Trustee should file a statement as to whether or not there has been further compliance. The Trustee's statement should also explain whether additional sanctions are necessary. No later than 12/9/20, the Debtor should file and serve a response. The Debtor should appear by video and audio, along with his counsel. Contempt order shall be held for 48 hours.

The Court finds Debtor in civil contempt for failure to timely comply with the turnover order. Funds were subject to turnover and no adequate demonstration by the Debtor that Debtor is incapable of complying with the order. The Court will allow the Debtor one last opportunity to purge contempt within 14 days of the entry of the contempt order.

Also, with respect to failure of turnover of the funds, the Trustee was forced to bring the motion for an order to show cause. Debtor is responsible for the trustee's fees and costs in bringing the motion.

Re the document request, the Court acknowledges there has been compliance with some of the requests. But the Court finds there has not been substantial compliance with the 2004 order. There has been an unjustified failure to timely respond. Debtor has 14 days to purge his contempt from the date of the entry of the contempt order.
