Docket 16

Tentative Ruling:

APPEARANCES REQUIRED.

Debtor has shown through a preponderance of the evidence that Beckman Coulter, Inc. ("BC") is adequately protected through replacement liens. This is based upon statements made in the Wallach declaration. The Court notes that there is no "carve out" for professional fees in the traditional use of that term. BC is not in any way subordinating its lien to professional fees. The motion is granted, but all rights are reserved to BC to file a motion to terminate use of cash collateral if the monthly operating reports or other evidence shows BC is not adequately protected.
