#21.00 Hrg re status conference regarding debtors certification of compliance and application for entry of discharge

**CASE DISCHARGE 8-2-16**

Docket 94

**Tentative Ruling:**

**10/26/2016:**

None.

**Final Ruling.** The Court has reviewed the new applications for entry of discharge filed in this case. Based on that review, the court entered a discharge in this case and, therefore, it does not appear that a status conference is necessary at this time. **No appearances are required.**

If the debtors have any concerns, questions or objections regarding these matters or anything else regarding this case that the debtors wish to address, the debtors or counsel for the debtors are welcome to appear at the status conference. Likewise, if the debtors or counsel for the debtors wish to discuss the chapter 13 procedures order or ask any questions, the status conference is an opportunity to do so. Any issues in this case may be addressed at the status conference. However, as stated above, no appearances are required and, in the absence of an appearance, the Court will simply conclude the status conference.

**Final Ruling.** The Court has reviewed the new applications for entry of discharge filed in this case. Based on that review, the court entered a discharge in this case and, therefore, it does not appear that a status conference is necessary at this time. **No appearances are required.**

If the debtors have any concerns, questions or objections regarding these matters or anything else regarding this case that the debtors wish to address, the debtors or counsel for the debtors are welcome to appear at the status conference. Likewise, if the debtors or counsel for the debtors wish to discuss the chapter 13 procedures order or ask any questions, the status conference is an opportunity to do so. Any issues in this case may be addressed at the status conference. However, as stated above, no appearances are required and, in the absence of an appearance, the Court will simply conclude the status conference.
