#0.00 **All hearings on this calendar will be conducted either in person or using ZoomGov video and audio, ACCORDING TO THE INSTRUCTIONS SPECIFIED FOR EACH MATTER LISTED BELOW.**

It is extremely important that counsel and all interested parties read the tentative rulings listed below very carefully, as the tentative rulings will indicate whether an in person appearance at a hearing is mandatory.

In Person appearances: If an in person appearance is specified as mandatory on this calendar, all counsel, parties and witnesses **must** appear in Courtroom 1668 at 255 East Temple Street, Los Angeles, CA 90012, unless ZoomGov is otherwise allowed by the Court.

Water is no longer provided at the counsel tables.

ZoomGov appearances: If a ZoomGov appearance is permitted according to this calendar, parties in interest only must connect to the video and audio fees using the connection information provided below. Individuals must participate by ZoomGov video and audio using a personal computer (equipped with camera, microphone and speaker) or a handheld mobile device (such as an iPhone and/or Android phone).

Alternatively, you may participate by ZoomGov via audio only, if necessary, by using a telephone (standard telephone charges may apply). Neither a Zoom nor a ZoomGov account is necessary to participate and no pre-registration is required.

If an unexpected emergency arises **on the day of the hearing**, attorneys who wish to appear by calling in to the ZoomGov telephone conference line must contact chambers at (213) 894-6091 and obtain approval to appear telephonically on ZoomGov. The Courtroom Deputy will be in court and unavailable to contact by phone on the day of each hearing.

Attorneys who are aware **prior to the hearing date** that they cannot appear at

**IMPORTANT MEMORADUM REGARDING PROHIBITIONS OF PUBLIC
VIDEO AND AUDIO BROADCASTING OF COURT MATTERS**

The Judicial Conference of the United States Courts has set forth the following policies with respect to video and audio broadcasting (aka remote conduct and appearances) of courtroom matters. The full policy is attached to this memorandum.

1. The current exceptions to "Cameras in the Courtroom Policy" terminate on September 21, 2023.
2. The new policies will govern all civil and bankruptcy proceedings (District Courts and Bankruptcy Courts). They do not apply in criminal matters.
3. Importantly, the policy change addresses only public access and does not impact a judge's authority to use teleconferencing and videoconferencing technology to facilitate civil and bankruptcy proceedings with respect to case participants, including parties, counsel, witnesses, and interpreters.
4. The new policy permits judges, in their discretion, to provide remote audio access to members of the public and the media for certain proceedings (see more detail below). This means that members of the public and media may access some proceedings without physically attending the proceeding by listening to live audio. Video is not permitted for use by the public or the media.
5. The new policy does not have an expiration date and may be a first step toward increased public access (i.e., video) at a later date.

6. The new policies are as follows:
 - a. In district and bankruptcy courts, a judge may permit remote public audio access to any portion of civil and bankruptcy non-trial proceedings as long as a witness is not testifying. (Video is not permitted.)
 - b. The judge may not offer remote public audio access to any portion of a proceeding in which a witness is testifying. In addressing this situation, a judge may choose to mute the remote public audio access line while the witness is testifying (which may be practical if the testimony is expected to be brief) or to terminate remote public audio access for the remainder of the hearing.
 - c. The policy does not permit a judge to offer remote public audio access to any trial proceeding or portion thereof, even if the proceeding involves no witness testimony.
