Period: 5/18/2024 to 2/18/2025, Fee: \$11424, Expenses: \$227.90.

Docket 120

**Tentative Ruling:**

The Fee Application is denied because court approval is not required for fees of counsel following confirmation. In a chapter 11 non-individual case, the vesting of estate property in the debtor upon confirmation means that the estate ceases to exist. *See In re Resorts Int'l, Inc.*, 372 F.3d 154, 165 (3d Cir. 2004). As there is no longer an estate, services rendered by professionals employed under section 327 are no longer rendered on behalf of an estate—and so are no longer compensable from the estate under section 330(a) or allowable as an administrative expense of the estate under section 503(b). As such, Applicant may bill the debtor-in-possession directly for services rendered post-confirmation without the need for a court order approving its fees.
