Chapter 7

#2.00 Hrg re trustee's final report and applications for compensation

Docket 105

Tentative Ruling:

Final Ruling. No opposition has been filed. This application for compensation has been set for hearing on the notice required by LBR 2016-1(c)(4).
No appearance is necessary.

The Court thanks the trustee and his professionals for their efforts in this case. They recovered substantial funds in the case and reduced their fees to ensure 100% payment to general unsecured creditors. Therefore, the reduced fees and costs requested by the trustee and his professionals are well-deserved. Well done!

Pursuant to the trustee's final report, the following administrative claims will be allowed:

(1) Trustee: fees of \$10,718.10 and expenses of \$222.29.

(2) Attorney for Trustee, Roquemore, Pringle & Moore, inc.: fees of \$30,899.70 and expenses of \$1,759.17.

(3) Accountant for Trustee, Karl T. Anderson CPA Inc.: fees of \$2,392.88 and expenses of \$686.59.

The trustee shall prepare and upload a proposed order after the date and time of the hearing but no later than seven days thereafter. *See* LBR 9021-1(b)(1)(B) (stating that proposed orders shall be submitted "within 7 days" of the hearing but "must not be lodged prior to the hearing . . .").

#3.00 Hrg re trustee's final report and applications for compensation

Docket 51

Tentative Ruling:

Final Ruling. No opposition has been filed. This application for compensation has been set for hearing on the notice required by LBR 2016-1(c)(4).

No appearance is necessary.

The Court thanks the trustee and her professionals for their efforts in this case. They recovered \$200,000 which was sufficient to pay all timely claims in full and provide a surplus distribution to the debtor. That is an excellent (and rare) outcome in chapter 7 cases. Well done!

Pursuant to the trustee's final report, the following administrative claims will be allowed:

(1) Trustee: fees of \$11,058.21 and expenses of \$560.23.

The trustee shall prepare and upload a proposed order after the date and time of the hearing but no later than seven days thereafter. *See* LBR 9021-1(b)(1)(B) (stating that proposed orders shall be submitted "within 7 days" of the hearing but "must not be lodged prior to the hearing . . .").

#4.00 Hrg re trustee's final report and applications for compensation

Docket 28

Tentative Ruling:

Final Ruling. No opposition has been filed. This application for compensation has been set for hearing on the notice required by LBR 2016-1(c)(4).
No appearance is necessary.

The Court thanks the trustee for his efforts in this case. Although the amount of funds recovered is small (\$6,000), the trustee administered the case efficiently and (among other things) minimized administrative expenses. In doing so, the trustee now proposes to pay general unsecured creditors 25% of their claims which provides a meaningful benefit to creditors. Thus, the fees and costs requested by the trustee are amply justified. Well done!

Pursuant to the trustee's final report, the following administrative claims will be allowed:

(1) Trustee: fees of \$1,350.00 and expenses of \$108.59.

The trustee shall prepare and upload a proposed order after the date and time of the hearing but no later than seven days thereafter. *See* LBR 9021-1(b)(1)(B) (stating that proposed orders shall be submitted "within 7 days" of the hearing but "must not be lodged prior to the hearing . . .").

#5.00 Hrg re trustee's final report and applications for compensation

Docket 32

Tentative Ruling:

Final Ruling. No opposition has been filed. This application for compensation has been set for hearing on the notice required by LBR 2016-1(c)(4).
No appearance is necessary.

The Court thanks the trustee for his efforts in this case. Although the amount recovered was small, by minimizing administrative expenses, the trustee recovered about \$3,200 for the benefit of non-administrative creditors. That fine work amply justifies the fees and costs requested by the trustee.

Pursuant to the trustee's final report, the following administrative claims will be allowed:

(1) Trustee: fees of \$1,084.66 and expenses of \$70.37.

The trustee shall prepare and upload a proposed order after the date and time of the hearing but no later than seven days thereafter. *See* LBR 9021-1(b)(1)(B) (stating that proposed orders shall be submitted "within 7 days" of the hearing but "must not be lodged prior to the hearing . . .").
